

## The Intimate Eye; the Drawings of Burton Silverman

We are pleased to offer this beautiful volume that includes 48 full color reproductions of drawings taken directly from the original book of drawings by Burt Silverman. Bound in a large format 11" x 13" oversize hardcover volume that replicates the original book along with handwritten commentary by the artist on every facing page. This is as close as you can come to owning Burt's sketchbook as it actually exists in his studio. The book accompanied a retrospective exhibition of his drawings at the Brigham Young Museum of Art, July 28th, 2006.
